Hi Selim,

Yes, as there appears to be no other option. I believe it's in that skinny north/south highlighted area depicted in the HCP. If you believe that it's elsewhere, let's discuss.

Sincerely,

Subject: Switchbacks conservation easement

Hi So,

I have not heard from you regarding the switchbacks easements.

Can we carve out the 11 acres that we are obligated to maintain so I can prepare the legal description for it?

Kindly let me know

Thank you
